

PEPSI VS COKE CHALLENGE

BY: ARIEL HERNANDEZ

I recently conducted the Pepsi-Coke Challenge to see which truly was better. I

also wanted to end all the nagging about Pepsi being better than coke and vice versa. Here are my results: We took seven random kids and let them take the challenges. 57% claimed Pepsi was better than Coke. The biggest complaint about Coke was a "flat" taste. The biggest compliment about Pepsi was the "sweet" taste. Sorry Coke fans, but the people have spoken! Pepsi has advanced to the next level. Next time we will see if Pepsi is better than RC.

Mandy's Rants

Animal testing these days have gone to the extreme! Animals are dying because of all of the chemicals being tested on them. Beauty salons and people are buying products that are killing more and more animals these days. We need to put a stop to it and help our animals out there. **ANIMAL TESTING IS WRONG!**

Did you know that Gov. William Bradford of the Pilgrim colony of Plymouth gave birth to the first Thanksgiving? He held the first feast, but it wasn't until after the American Revolution, when President George Washington made Thanksgiving an official American holiday. He declared Thanksgiving on November 26, 1789. Later, the holiday would be commonly celebrated on the fourth Thursday of the month of November. In 1941

Franklin D. Roosevelt moved Thanksgiving to the third Thursday, but people did not like the change. The following year, it went back to the fourth Thursday of November. Bet, you didn't know that! So next time someone asks, you can tell them that Thanksgiving is not just about the Pilgrims and the Native Americans, but about giving thanks to God for what we have. Hope you learned something new...HAPPY THANKSGIVING!

Spotlight Shines on You

This issue the spotlight shines for Amanda Marie Avila. Amanda is 14 years old and lives with her family of three. She likes to wear boy's boxer brief with cartoon and rainbow-colored patterns. Amanda enjoys all kinds of sports and loves the Care Bears. One of her biggest fears is deep water. No need to tell you what she likes in guys - she's taken!

This weeks student of the week is Bene De Los Santos. Congrats Ben! Bene's favorites include Star Wars Battle Front (the game), eating pizza, and taking cat naps. His pet peeves are repetitive conversations and his annoying little sisters. His family consist of his father (who can't dance), his mother (who reads too much), and his two (abnoxtious) little sisters. Ladies, Bene is also single. He's looking for a smart and pretty girl. He is also one of our very own Buzz Crew members. So once again congrats Ben!
